Dear Cecil. Had a new
Correspondance
I haven't the ability to describe
down the Rhone river, three tunnels
from Lyon to marseilles, the last part from
marseilles to nice, along the seacoast
is certainly the best part. The scenery
was wonderful + the houses, hotels +
the entire distance it seems. It gave
me a rather peculiar sensation, stand-
ing before the Casino, this afternoon
looking out over the mediterranean to
the horizon, the snow capped alps of
Italy as a back ground, breathing
the balmy atmosphere of this ancient
city of 530 B.C. Yours. Paul
Hendrickson.
