Haglerdorf. Luxemburg. Dec. 17, 18.

Dear Cecil - Well we walked out of France into Lorraine and now in Luxemburg - picture is of part of the City of Luxemburg, capital of this little country. we passed thru there a few days ago. Have enjoyed our hike thru this beautiful little country, so thrifty + well kept. Such a contrast to the battle fields we've seen for so long. Will write a letter as soon as possible. Rec yours of Nov. 18 - Paul
