May 2 last night all our equipment was loaded on train except pack.
at 8:00 AM we assembled and marched to train at Co. Commissary

where we were assigned to our coaches. Many friends were

there to give us good bye. At 1230 We were leaving Houston from

the Santa Fe Depot, a block east of Vice Hotel. We went south to

Alvin - got a last look at that

and Auntie Dora too. We turned

the north. I was placed in charge of the 5015. There are 13 cars

on our train. My car is just first

This morning everything is fine. Weather can't be beat.

at 12:30 PM. we just had a breakdown at a little place in Oklahoma

Eubanks as the place. The two large drive bars on rear driven of our

engine snapped and our crew pulling upgrade saved us a

serious wreck. If had it happened going down grade our whole train

would have spilled.

3:30 P.M. got new engine and we started on.

I feel pretty tough.

8:30 P.M. I feel better. At St. Smith we unloaded
the and marched up town and back to train then started on. We agreed

amount of carrying our goods equal. Upon our return to train we went to

and started on.

May 12 - got up early this morning. Weather fine. We are making only 10.15 knots on account of some of the boats can't do any better than that and we can't go off and leave them. Had a bath in salt water today. Turned in our 5 rounds of ammunition and played cards. This afternoon, 4:30 each evening we have our abandon ship drill with life preservers. We quarantined this morning. Passengers from running awfully smooth. Today, boat not rocking at all. Wind is pretty strong. 1 PM. Belgian relief ship forward and to the right. Not at all close.

May 13 - ship put with us this morning. Other boats falling back except one or two all other boats out of sight except.
May 13 - Steady weather and sailing all day. All 14 boats together. Fire call sounded at 9:40 - after reported in the hold. If this were a fire there it was quickly put out. Today enjoying trip. Fire and plays weren't every day. Pvt. of B company died of an unsuccessful operation for appendicitis. Another person reported dying today also. If possible their bodies will be sent to New York. Water getting rougher.

May 16 - Rained a little. Water pretty rough. I feel pretty bum. The artillery fellows that died at a Masonic funeral this afternoon.

May 17 - Very rough. Ship rolling from one side to other, rolls so high sometime you can't see other boats at all. In morning you are way up in the air and the next down you go. Wonderful to see these big ships roll around - they go out of sight behind a big swell and looks like they are sinking. This boat went on her side for some fellow. Discussed center of the sea. We were paid.

May 18 - Sat. - Last mile was fierce. A box of coffee fell on 5 men - broke one man's leg. Every thing loose was sliding around. Some water slopped on deck. Been rough all day - I am feeling fine today.

May 24 - Tri. sailor captured Germans base at this post. Our boat has been unloaded, we are off the big ship and are a tender ship. To a place a few miles up an awfully long hill. Packed up in a place a few miles up an awfully long hill. Packed up.

Guaranteed, this hill is a fun time out here, lots of green and pretty. Arrived here at 4 PM. Ruins are a wall and country and walls and country and green. Trust green everywhere.

May 25 Sat. Took small hike to a village and I made today some big yellow chickens.

May 26 Sun. We did our washing today in a small town, and have a hangar closer just east of town.

May 27 Mon. Drilled in a little town this night.

May 28 Tue. We're not so damp all my life all of my hair cut off.

May 29 Wed. Biked to town to our Barrack bags fine. Two men are on the sergeant major's road. In a little stream fed by a spring. Crossed one of the roads. When we were there we took off lots of clothes.

May 30 Thu. Decoration day. Festive in fine. Fell in for a speaking by a gun till this morning today. No drilling or hike.

May 31 Fri. This morning I went with R. to the ruins and were quite a few of the ruins. It is just the place and the hill and ruins are all green and there are any number of ruins there. The flag is flying from the flag pole.

June 1 Sat. Went on long hike north and saw some very beautiful pieces of country. The little settlements with farm lands and small fences solid masonry and all good furnishing for enemy to advance over.

June 2 Sun. We changed crow to street.

June 3 Mon. Washed clothes and bathed in a little stream of clear water along side blocks from a town south. Very nice. Handily we just staked up by the fence and stood them in very much. Read all afternoon and boy tell.

June 4 Tue. Went on hike this morning on hike this morning. Went on hike this morning on hike this morning. This afternoon one went east town north of town and into camp. Got some.
June 3 - Wed. Hiked to Village S W of here and the railroad on beyond where we were this morn. Bathed and the air & water was colder than the place we were this morn. and turned me inside it was finished in stone just as on less golden. It is a mighty thing - so massive - so massive as it was rough inside & out but the dean - and above all the altar - with the clock striking - the painting - the statue of Christ, Virgin Mary and others - the sprinkling pool and such took up one corner.

June 4 - Thur. This evening the two been walking and called all the evening. June 7. Our platoon loaded onto a truck & had some crabs to eat in few noon found a assembly on one of the Torpedo polls sides. Saw them prepare them for testing - show them in the water - the water they run - and see energy. They float like a water cocked log. Real one. one had sudden trouble and stopped opposite side from which it was sent. Broke to a big rock where it hit. Splashed water on. Then I went in to the dry docks - which for 27 miles out of here - was in trial. loaded for weeks. Was lost in a closed one. I was under the ship. Sure it looked and all turn it and up in endless next. I have had some rather unusual experiences going out to sea. June 5 - Sat. went to Brent early this morn. of city - so an immense thing - walls of 8 I noticed. We worked here all day. I had a letter from Pearl Smith. We June 6 - Sun. did nothing today. Of a great many cars - big cars. wheels under them - are pulled by a 12 & 60 feet agent. 800 PM pulled at ST. Brieux - saw some one some night coffee. Too saw men looking bought groceries. This afternoon we hiked to sea. There in a pond of fresh water we fell. Washed our clothes. I went in to the basilica cathedral - outside it was guarded all night and so ancient. Stone work was not so fine - the paintings - the statue - the paintings - the large columns - it was all wonderful. Also of Jean de Col. There was a few north wind on other side and we held me pass. It was a time I'll never forget.

It was a time I'll never forget.
June 14 Fri. Been riding all morning - going more modern looking. Better class of people for coffee - some women dressed like men driving. Country looks like it is filled with older farms. Passing through parts more Bella, more green and beautiful. Fields regular and fence green & beautiful. Passed one with two Corners. Passed a town every few minutes. Country now buildings nearer & more modern. 10 am stopped off road and walked around railroad line. This afternoon we arrived at a town. Crossed thru. Stopped at a British junction - got coffee. All three lines of the new railway are followed thru. A railroad along line most active I've seen.

June 15 Mon. 7:30 am. Unloading at camp. Write German air raid bombing town 3 miles behind tent. 9:30 am. Laid in for a rest at 2 pm. 13 lbs. coffee. 9:30 am. French air plane went thru town - large one. Had to march 33 km - the last 7 with these heavy packs & still equipment. was rather sick.

June 16 Sat. Had some good news today. June 17 Mon. Signal about one detail - afternoon - in French lines post over our lines. Will hold tent on election fine autiome.

June 18 Tues. Fell in this morning. For a moment 2:30 pm. With nothing to eat but piece of bread & water for breakfast. Was not much for one. Began to feel down in myself a little. Don't know how many.

June 19 Wed. This morning we went to English office. Machine on a national post- train 1 mile away. This evening at 7 pm. Sr. Center taken to hospital.

June 20 Thur. About 9:30 am ready to leave for home. Left our tent with help. Went up a hill a mile long. June 21 Fri. 8:30 - backailed - Short since 6:30 pm. 8:30 starting - This was forced on me. If I could not have cared.

June 23 Sun. Busy all day. 12:30 miles. 50 fell out of way. Went via main road. It was a day to be remembered. There could have been a mile away - the place and landed on the field. Within 2 miles of the place. I stumbled just plugged. My equipment was loaded on a wagon. My feet are planed flat, and got in about 5 o'clock. To make a visit with the rest of my crew. All got in this evening. I can hardly imagine it. More. 7 am. Fell out at noon. It was a day of lakes. I just plugged. The German planes were four. Last one 27 pm. Killed in the last week.

Got back 1st Oct. 100 adm. quite uni. I got my self straightened out. One on duty. 24 were heavy shelling now directly in front. Enemy plans our lines. This morning. Was shelling all day. Now no one will come. Shelling in front now choking up thick local. We are still shelling it again. Now have another. Came from 3 shells looking down close. I over hit almost exactly where I stood, pieces went flying and about as deep and fell right close, mostly on north side of jet. They shelled about 30 ft. from where bunch of shells fell were sent over on this morning. To get some from 100, my way back, fell down on my finished letter to send this evening. Around July 4th, Pearl's letter of July 5th,legging a 2 day. Sent our cable dead men. Had a call at the automatic phone for 15th. Time. Had work, packed and went to see Reg. Then to Round Table at Bob's Woods and stayed all night. Springfield 46979, beyond + ammunitions. Very dirty, sure feel fine today. Better. I went to rest. But my work. Jenny came over last but not alone. At 7BN and went to Amiens with transport. Got there by 10 at 12. The west, still St. Mene and Paris at 27 pm went into the presses and eventually were moved. Had one call well and now many more have been churned through as the youngest. For the second at the that they would take. I went to the war. Some and almost the bridge over the mobile for this space have been blown. Simons and wires had their place in sight along the most beautiful valley of the land. Did nothing to the beautiful. But the gunner had not seen the beauty as the defilement where he was. Aug 14th landed this morning at 1230. At 1st dig on.

The remains removed from Valance. The year we are taken to dig on. This evening I went to dig on. We had a good time there. Leading to the great top with turret. Walls were of stone cella, much carving done by prisoners. Other than that, dug a deep well or dungeon. He build yet everyone back in those ages able power. But could not go. Many small looking out. 56 is the castle of kunstendorp.
Aug 27 - Joe went to Figy Court, nothing.
Aug 29 - On manoeuvres, Aug 29. This morn, came down on the hill. Had a new scout plane of work at inspection on high hill this morn.

Sep 1 - Sun. This afternoon went to an old mine on the hill near the young mountain. It's a very beautiful place, and the scenery from this high hill, though far it reaches there our idea. I was further down the side of the place to the canal. Got on an up going boat, rode the canoe, got off at Chirnocks. From this went to a place near the level, on the river Leven. September 25, 1933.}

Sep 2 - Wed. On a manoeuvre today, set off. Packed heavy pack ready to move to do this. Pack of bread, few diners.

Sep 28 - Wed. On a manoeuver today and off. Took a bath as soon as it was back.

Sep 31 - Washed some clothes today.

Oct 1 - Sat. Walked up the morning ready to move. Went up the slopes to gain height. A very good. Went up to the Donkey emplacements.

Oct 2 - Sat. Packed up the morning ready to move. Went up to the Donkey emplacements. It was a good place to gain height. A very good day. Went up to the Donkey emplacements.

Oct 4 - Mon. The team. The Donkey emplacements were built up. The enemy was almost impossible to detach on the top of the Donkey emplacements. The rear of the Donkey was covered by a very good fort. The enemy was almost impossible to detach on the top of the Donkey emplacements. The enemy was almost impossible to detach on the top of the Donkey emplacements. Strong, and I met together our front and wire just put in recently. Can see dugouts in putting in new trenches. I got a piece of shell, new trenches where they have dug three bodies and got a jaw-bone and some teeth, Strong at the ruins out inorraine. The first chance we got Terry is shelling damage done more than has been done.

Today two letters today. We were relieved. We changed our dugout at 2 meals 800. We set off to see our family in St. Claringon and will change again at St. Claringon.
