In years past, graduate sessions or convocation ceremonies were just a matter of routine. 

In some cases, a simple card from the registrar would be the only formal notice. But this year, the university is taking a different approach. 

A convocation ceremony will be held in honor of our graduating class. We are all invited to participate in this special occasion. 

The ceremony will begin at 10:00 AM in the central quad. After the traditional processional, each graduate will be recognized individually. 

This year, we want to make our graduation ceremony something special. We will have live music, speakers, and a special guest who will be announced shortly. 

We hope everyone will be able to attend and enjoy this special day with us. Congratulations to all our graduates, and best wishes for the future!
The streets of our country are in turmoil. The universities are filled with students rebelling and rioting. Communists are seeking to destroy our country. Russia is threatening us with her might and the Republic is in danger. Yes, danger from within and without. We need law and order. Yes, without law and order our nation cannot survive. Elect us and we shall restore law and order.
