

Baytown Jewish Community News

MAY 2012

In brief

Plan to attend May service

Our regular monthly service will be held on Friday, May 4, at 7:45 p.m. Denise Havenar is the hostess.

We had very good attendance for the April service, so please continue with the great community support.

Miriam to get forestry degree

Congratulations to Miriam Bauman, who is graduating from Texas A&M with a degree in forestry in May.

Leah to receive master's

Congratulations to Leah Linares, who is graduating with a master's degree in educational administration from Lamar University.

Hadassah officers elected ...

Denise Havenar is new president

During the April 18 Hadassah business meeting, officers were elected for the new year:

| | |
|-----------------------------------|----------------|
| President/Program Chair | Denise Havenar |
| Vice President/Fundraising | Shana Bauman |
| Treasurer | Janet Bright |
| Secretary | Ruth Cornelius |

An installation lunch will be held at our Baytown Jewish Community Center on Sunday, May 20, at noon. Denise will coordinate the catered affair. Watch for details.

It's yearbook sales time again

Our yearbook sales kicked off in April. As this is our major fundraiser, we would like everyone to sell at least one ad. If you need a receipt book, or have any questions, please call Shana Bauman.

This year's ad prices have increased \$5 on the half- and full-page ads, to \$45 and \$75, respectively. Please remit monies to Janet Bright, our new treasurer.

Jewish National Fund contributions accepted

If anyone would like to give to the Jewish National Fund, checks may be sent to Shana Bauman.

During the past 109 years, JNF has evolved into a global environmental leader by planting 250 million trees, building over 210 reservoirs and dams, developing over 250,000 acres of land, creating more than 1,000 parks, providing the infrastructure for over 1,000 communities, bringing life to the Negev Desert and educating students around the world about Israel and the environment.
