To the Brothers of Sigma Alpha Rho,

A wonderful year has passed all too fast. There were many good times and memories which will be everlasting.
I have collected and put them in this scrapbook, which I give to you, the Brothers of Sigma Alpha Rho.

I wish you the best of luck, and I pray that S.A.R. will continue to be successful in everything it strives for.

May God bless all of you.

Love always,

THE DEDICATION

AS OUR YEAR IS ABOUT OVER, THERE IS ONE THING WE STILL HAVE TO ACCOMPLISH. OVER THE PAST MONTHS WE HAVE STRIVED FOR GREATNESS. WE HAVE ACHIEVED IT THROUGH OUR SOCIAL AND PHILANTHROPIC ENDEAVORS.

THETA ETA'S CONTRIBUTION TO CHARITY OF $1600 WAS SOMETHING TO BE PROUD OF. OUR SOCIAL FUNCTIONS LEADING UP TO OUR CHARITY DRIVE SURPASSED ALL PREVIOUS YEARS BEFORE. BUT WITH ALL THIS, WE HAVE LACKED ONE THING, UNITY. FOR WITHOUT UNITY WE HAVE FAILED.

WHAT GOOD IS IT TO HAVE A FEW DO ALL, MANY DO LITTLE AND HAVE THAT FEW SUFFER THE PUNISHMENT FOR THE MANY'S INACTION? HOW CAN ALL OF US TAKE THE CREDIT FOR THE WORK OF SO FEW?

WITH JUST A FEW WEEKS LEFT, WE MUST UNITE AND BECOME ONE. S. A. R. FOR AS ONE WE CAN UPHOLD THETA ETA'S TRADITION THAT WON US THE NATAN SHUMAN MEMORIAL AWARD LAST YEAR, AND CAN LEAD US TO WINNING THE ABBY.

I WISH TO CLOSE WITH A QUOTE THAT I FEEL IS THE BEST ADVICE TO A BROTHER OF OUR FRATERNITY:

"Throw yourself into the work of Sigma Alpha Rho without reservation. Work zealously, ardent, religiously, for the progress and dissemination of our principles. Fear not of reward; it will appear in your own soul. It has proved itself with others, it will be so or you. Remember, the recompense in great!"

your Fraternity,
Ronnie Rauch

THE
Interview (Cont.)

A little trouble at times working as a group, and the times giving shit, well, you know about that.

FRAT. MAN: What were some of the high points of your term?

JON LEVY: First, I'd have to say when we got into the truck, I guess that the only other high point would be Las Vegas night when we knew that we would attend the next affair as members.

FRAT. MAN: Did you mind sacrificing your knee for S. A. E.?  

JON LEVY: Not really. I was willing to give my right arm for pledging, much less my right knee.

FRAT. MAN: How did you like having your brother, Bobby being pledgesmaster?

JON LEVY: Great! I felt fortunate to have his guidance near me all the time.

FRAT. MAN: Who do you think popped the hardest?

JON: Bobby—Ooh! He hit me hard!

FRAT. MAN: What did you think of Mike Tapick stealing the paddle from you at the egg hunt? After all it was the only chance you had to get even with your brother.

JON LEVY: I wanted to pop Bobby, but Mike saved me from later embarrassment.

FRAT. MAN: Was it you who left the wine bottles in the Rauch's yard?

JON LEVY: No, it wasn't me or any other brother. We wouldn't stoop so low as to drink wine!

FRAT. MAN: When did you formulate the idea of throwing your brother into the pool?

JON LEVY: It was on the spur of the moment. I thought that it would be nice to let some steam off early in the evening, because if we waited longer some of my brothers would be in no condition to participate.

FRAT. MAN: If you were to receive the best pledge award, what type of speech would you give?

JON LEVY: Short and humorous, thanking my president, pledgesmasters, and giving all the credit to my pledge brothers.

FRAT. MAN: Well, thank you for your time and this chance to learn a little more about you, Jon. I hope that you will like seeing it in the next issue.

We hope that you enjoyed this, our first issue of the fraternity newspaper. We will have another one for you next month in time for the election. I would like to thank all the members who did articles for us. I hope that more of you will write in to the forum. If anyone wishes to write an article, please contact me, Bruce Axelrod.
Three o'clock might end the day for most but for the managers and trainers of the football team the day has just begun.

Trainers, not give up their time, but also must take a course to learn their trade.

Keith Madden, Chris Walker and Sam Keith are the year's trainers. Their principal duties are taping ankles and treating any injuries that might arise on the practice field.

The managers likewise play an important role. They tend to the player's individual needs and take care of the equipment.

Richard Kaplan, manager, says, "The work is rewarding as well as gratifying." Rick Dahlman, a one year veteran, is the other manager.

Richard Kaplan has been selected manager for the Bellaire varsity football team, and Jerry Meyerson was selected goalkeeper at Bellaire.

**Friday:** $3.50 - Go to the Majestic and see the new movie, "Sergeant Ryker." It stars Lee Marvin, and nobody can tell whether he is an American sergeant or a Commie Major. Actually he is a Swiss Red Cross male nurse who has defected to Greenland.

$8.00 - If that doesn't appeal to the intellectual type, go to the Astrodome and support the Astros to a winning (or losing) season. It should be interesting to watch 'Roy's Boys' since he told Grady to either win the pennant or blast off. (That is the first pun.)

**Saturday:** $FREE - Be a kook and go to Galveston and watch the surfing contest. Since it is at Galveston, I don't imagine you'll watch very long. If you get bored, find a group of friends and push Larry Kane off the Flagship.

$2.50-$3.40 - Go to the Las Vegas Party at the White House Motor Hotel. It's from 6-12 and the big winner will be bumped off. Not really, he will win a big prize and then bumped off. The TSU Toronados will be playing so you can get full of soul.

**Sunday:** $3.00 - After you have attended your church or synagogue, go see "Where Angels Go Trouble Follows." I think it's a satire on Bunyan's Pilgrims Progress.

$4.00 - Go to the Houston Music Theatre, and see "My Fair Lady." It is a take off of Porters "Anything Goes." (sick pun)

Dear Men of S.A.R. and Marilyn,

At this final banquet of a most successful year, I wish to extend my heartiest congratulations! This year has gone by so quickly. I also want to congratulate Alice and the officers for a very successful year. Marilyn, as told you last year, to remember every moment because it is too fleeting and to cherish all the warm, friendly, and special times. P.S. I wish you the sweetest of a truly wonderful year.

Wonderful group of men. To the new Sweetheart, all I can say is good luck and take care of the greatest guy you will ever know. They are a sure prize to the lucky enough to possess, and I know you are to my father, who has guided this club. I can only be grateful and say that I think you're the greatest because you are able to give 100% much love and devotion to all.

My best wishes for the best of everything always — All my love,
