

Houston, Texas,
June 5, 1925.

Mr. F. C. Weems,
c/o Morgan Harjes & Co.,
14 Place Vendome,
Paris, France.

My dear Weems:

I have just learned this morning from President Lovett that you are to spend the summer in Paris. I will be in Paris off and on during the summer several times. Mrs. Watkin and I will be in Paris probably from the first or second of July until about the 15th. At the present moment we contemplate being at the Hotel Castilla, but we may change our minds. You could, however, locate me through the office of the Otis Elevator Company, 161 Rue de Courcelles, which office is kind enough to act for me in the forwarding of mail and cables, etc.

I would certainly love to see you again, especially to see you in Paris. Mrs. Watkin and I, with our three children, are going to be abroad until October. The children are going to be at the vacation house at Houlgate in Normandy, with some twelve or fifteen other children, under the direction of Miss Wiggins of New York, who conducts a house for this purpose.

I certainly hope that it will be possible to see you and I shall love to hear of the details of the splendid progress you have made since the time that we were together here on the 11th floor of the Scanlan Building.

With very best wishes, I am,

Very truly yours,
HOUSTON OFFICE
