General Steamship Agency,
609 Kress Building,
Houston, Texas.

Gentlemen:

I am writing to inquire whether you are agents for passenger passage on vessels from either Galveston or New Orleans, sailing for France or Italy during the months of July or August of this year. If so, what vessel or companies you represent. If not, will you be good enough to advise me the nearest local agents of steamship companies booking sailings for France or Italy.

Very sincerely yours,
