Hotel Delmonte,
Delmonte, Calif.

Dear Sirs:

I wish to acknowledge your letter in which you quoted me rates of \$24.00 per day for Mrs. Watkin, my six-year-old son and myself for a large double room and bath, room to have two single beds and one child's bed, rate to be American plan and subject to discount for a stay of two weeks or more.

My present plans are that I will reach the hotel at or near July 19th, possibly 20th. The exact date will be given you at an early date.

Will you please write me describing the position in your hotel that these accommodations will occupy and acknowledge receipt of this letter.

My intentions are to stay three weeks or longer.

Very sincerely yours,
