

(13.1)

6 December 1918

My dear Mr. Tidden:

I have pleasure in informing you that at a meeting of the Trustees of the Rice Institute held on December 4th, 1918, it was voted, in response to your request, that immediately on your release from the war duties in which you have been engaged, you be reinstated both in respect of status and salary in the position you occupied at the Institute at the time you were granted leave of absence for war work.

With all good wishes, believe me to remain,

Faithfully yours,

President

Mr. John C. Tidden
The Rice Institute
