Mr. E. B. Arrants,
Bachelor of Science in Architecture,
c/o The Rice Institute,
Houston, Texas.

My dear Arrants:

I enclose herewith notice of the First Annual Traveling Scholarship competition in architecture of the Department of Architecture at the Rice Institute.

I am sure you will be delighted to learn that such a scholarship has been made available as an annual custom at the Rice Institute, and we count it as a very marked step forward in having been able to arrange this opportunity for foreign travel for one of our students each year.

With best wishes, I beg to remain,

Very sincerely yours,

Professor of Architecture.
