Dearest Gaiwora,

I received your letter today and was glad to hear from you. I am glad that you don't have to work very hard, but I wish you were here to help me work some chemical problems, algebra, and write some themes. Have a theme every week and they sure are hard.

I am glad the Happy Hour is gone. Did you see Margaret Clark in Miss and Men? It sure was good. Are going to see the Russian animal pictures Saturday night. Next week the Battle Cry of Peace is going to be shown here, this picture is supposed to be as good as the Birth of a Nation. I wouldn't miss it for anything.
one like it.

I got a letter from Madalene day before yesterday. She told me that she might go to Dallas from Decisou for a few days. Tell Ger to send me an epistle of alphabetical continuity in other words a letter. Am sorry to hear that Ethel has been sick. Write her a few lines quite awhile ago but had not received an answer. Did not know what was wrong.

Now little girl you want to get over that spell of the Blues. That's about the worst thing a person who is not sick can have. I've had a mighty good dose and believe I know what they are.

That finger of yours merely needs exercise. Take it walking three times...

Had another basket ball game tonight with Decatur College, we beat them 63-20. The game was only real interesting at times. The A & M and Texas games will be our hardest and most interesting. Do you remember that big tall boy that played with Houston Heights against us last year? He is playing center for Rice this year. He sure has improved in his playing. I asked him one day if he remembered the game with Oak Cliff. He said yes and he hoped that he never would have to go thru another
