# Forum To Hold Second Meeting On December 3

The Rice Forum will hold its second all-school meeting of the year at 7:15 pm, December 3, in the Student Center Grand Hall.

To fulfill its new duty of not only bringing guest speakers to campus but also furnishing a place for discussion of student opinion, the Forum has chosen four students to speak and lead discussions on certain timely issues.

## College and School Spirit

Mike Lockerd, president of Will Rice College, will speak on "College Spirit versus School Spirit."

The social rule prohibiting campus parties and activities during week-nights will be the subject of a talk by Bruce Hendrickson, the Baker College councilman-at-large.

## "The Rice Hymn"

Gene Swilley, Band drum major, will discuss the proposed adoption of "The Rice Hymn" as school alma mater.

To close the discussion, the Honor Council vice-president, Charlotte Reeves, will speak on Rice's Honor System.
