

Orientation For Freshmen's Parents Planned

Parent Orientation, to acquaint the parents of all new students with Rice Institute, will be Saturday, October 25.

Helen Hardin, chairman of the committee on correspondence for Parent Orientation, has invited the parents to the campus that day. At a general meeting in the morning of all parents, they will be introduced to the student administration leaders — such as the Student Association officers, the Honor Council, and the cheerleaders.

After this general meeting, the parents will be taken on a tour of the campus. Mike Smelley is in charge of the tours, which will be led by juniors.

At 11:15 the parents will be divided into two groups. One will hear a sample history lecture given by Dr. Masterson; the other will hear a sample English lecture given by Dr. Pickard.

Parents may then eat lunch in the colleges.

From four to six in the afternoon, President and Mrs. Houston will host a tea for the new students, their parents, and the freshmen instructors.

That night all parents are invited to the Rice-Texas game.
