

# Junior Dance Is October 8 -- To Be 'Bally-Hoo Ball'

The first big all-school social event of the year is planned for the night of October 8. The Junior Dance, this year accenting a "Nebbish" theme, has always been one of the highlights of the Rice social calendar.

"BALLY-HOO BALL" will be held this year in the Texas State Hotel in downtown Houston. Albino Torres, celebrated local bandleader who flavors his music with a Latin touch, will supply the music for the evening's entertainment.

SINCE IT WILL be the night of the Florida-away football game, up-to-date scores will be posted. Students will also be able to vote for the most popular (or infamous) "Nebbish" on the campus and their political platforms. Designed as semi-formal, the dance will begin at 8:00.

Tickets are \$3.50 per couple and will go on sale in the Student Memorial Center and the Colleges later this week.
