
Fine Arts Program

A chamber music and poetry program, celebrating National Library Week, will be presented Sunday afternoon at 3:30 p.m. in the Fondren music room.

Several Rice students will read selections of their own poetry, and the Shepherd School of Music Spring Ensemble will perform. Student poets include Robert Zelenka, Ann Waldby, and John M. Evans.

Richard O'Keefe, Assistant Librarian, will announce the winners of the library's recent contest for the best personal library of an undergraduate.
