Dear Mrs. Snow,

Was not only swamped (still am) with material to mail off, but was ill & also had people from out-of-town to help in Austin (here briefly) and also family doings. Am just settling to copy data I had accumulated bit by bit & also the 3 hours' work Mrs. Sallie Harrison did in Houston for you (she mailed copy for you to me). I still owe her time since my illness interfered. The medicines given to cure my infection are sometimes dangerous; one of them did kill some benevolent organisms & gave me a bad time (would have been fine if I had remembered that certain other things were to be taken or eaten with it). Have had so many different medicines this past year or two, I got mixed up (The doctors usually expect us pharmacy people to know things I often forget). Took "buttermilk" pills, etc. and now seem to be fine--just tired. Miss Dozier needed some newspaper work done for her Friday; hope I can help her tomorrow (and still catch up on work for Mrs. Sallie). Have been hoping you'd have a minute to write one of these days; I will finish with your work soon (using the time up). Right now, let me say that if Mrs. Sallie Harrison has time & you wish to switch to her in Houston on things there, I will or would not be the least bit unhappy. Mrs. Sallie & I have been genealogical friends for what seems forever, and I am indebted to her for many things. I love doing your work, of course--got so interested in the families; but if you decide to ask Mrs. Harrison to continue for you (of course you hadn't mentioned anything like that; I just thought of it) & she did, it wouldn't hurt me at all. You are aware that I have turned down a dozen or so jobs this spring & must constantly refuse people; we just don't have enough genealogists in Austin. So--I just thought I'd explain how it is, in case the idea occurred to you. Karen has also been swamped with work these 2 months, & Christie is beginning to help me with my copy work & indexing.

p. 57 - Doctors - "February 15, 1773: Joseph Wyatt." (mentioned in the paper of this issue--JHW).

p. 3 - Historical & Descriptive Sketch - "The earliest record of an attempt to obtain a printer for the province of South Carolina is a directive sent to FRANCIS YONGE, colonial agent in England...YONGE was unsuccessful in his assignment..."

p. 34 - Artists - "December 29, 1739: ISAAC YONGE. All Sorts of Bricklayer's and Stone Work done."

I'm copying most of the unimportant items mostly picked up in passing--while working my own or other people's lines. Will copy Mrs. Harrison's data last. JHW.

- MOODY, Moses & Polly Beeby (Bigley?) - Mar. ret. by HB.

- May 21, 1798. (sic).

6 Oct. 1746. Gift. PAUL GRIMBALL, planter, of St. Johns Parish, Colleton Co., to his son, JOHN PAUL GRIMMB (husband of daughter ANN)...also 500 acres on Edisto Island surveyed by HENRY YONGE, Dep. Sur. ...

Had 30 June 1964 letter from Mrs. Harrison. She says she spent 3 hours at the courthouse (pretty hard work). She felt she didn't know enough about court records. It would be best, I feel, just to copy most of Mrs. Sallie's letter, just as she wrote it. She did find nice things--what? JHW.
Copy of Tues., June 30, 1964 letter from Sallie Harrison, Houston, Tex to JHW -

"I spent 3 hours at court house. I wonder if you read it, without me re-writing it. ...

Probate records Book D - p. 441 about 11 pages (to 422) - Book D. p. 457 to 460 (about 3 pages) - Book I, I didn't find - Book K, p. 10-to p. 13 (I think 3 or 4 pages). I think the county clerk says to photostat for the 11 pages, about $8.00 ?? - cheaper at that #1 than me copying as slow as I am.

Inv. & appraisal of land -
2. 640 acres south of Spr. Creek.
3. Headright Joshua Hudson - Spr. Creek.
5. Headright Lawrence Long - 640 a Spr. Creek. #10
7. 1/4 of 480 acres, Spring Creek.
8. 1476 acres.

But I didn't try to copy it in full - if I should, I will do the best I can.
The county clerk says not long ago, 2 or 3 ladies came in 2 or 3 days and copied
all this on MOODY in connection with MOODY Est. in Galv. or MOODY family in Galv.
I only found 2 deeds for MOODY in Reverse index to deeds - I copied in full.
Then for Direct index - I copied the index. If you want me to copy any of the
deeds I can, but don't think these will help much.
If we knew who the ladies were who did the work-- I wonder if your lady
was behind it ??

Fifty cents bus fare. Tomorrow I will go to the Library and see what I can
find on cemetery records for Harris county.

What about marriages? Never thought to check for the marriages. Goslem?
was remrod of the probate seems like. (JHW--I will write her the parts of the
Harris Co. marriages I've already checked--if you want any of that.)

I could abstract part of it, but interesting in full. If I find any ceme-
tery records, will write you. Maybe I can exchange elsewhere, if not satisfied. Seems the land was on Spring Creek - but index to deeds gives lot of transaction in Houston, too.

They aren't very orderly in their probate record office.''
