Attorney John Kyles
Assistant United States Attorney
515 Rusk
Houston, TX 77208

Dear Attorney Kyles:

We wish to thank you for your acceptance as a great speaker for Mt. Moriah Baptist Church's Youth Sunday on February 10, 1991, at 11:10 a.m.

Since February is Black History Month, we are indeed delighted that you will be presented as one of our speaker during this month's observances. As a product of the Sunnyside Community, your achievements will, hopefully, inspire Black youth in this community, as well as the Houston Community, a desire to achieve.

The alarming decrease in Black male leadership and/or the extinct of the Black male has become a national agenda issue. The Mt. Moriah Baptist Church is addressing this issue by teaching Christian values and self-esteem -- having a reason to be proud. As a "Mentor" at Wheeler Avenue Baptist Church, we feel that you are qualified to discuss this issue adequately.

Your presence and presentation will help the young and the old to become more aware of the fact there are still proud Black men making differences in our society. In addition, your status or position will enlighten our youth that one does not have to compromise his values and morals to achieve. Proverbs 22:6 tells us to train up a child in the way he should go; and when he is old he will not depart from it.

We look forward to your presentation and the sharing of God's blessings.

Attorney John Kyles
