Dear Member:

**SWIMMING**

Our Swimming Instructor, this summer will again be Bob Smith, who you all grew to know this past year. John Frels will return as his assistant and lifeguard. With another year of experience behind these two young men we feel sure you will find their services even more satisfactory. Bob, since leaving us last fall, has been serving as head swimming instructor and guard at the Camelback Inn in Phoenix, Arizona and this experience in handling a large pool program will stand us in good stead.

As before, both class instruction and private lessons will be available. Five class sessions will be scheduled per week, Monday through Friday, with a maximum of six pupils per class. Instructional periods will be 30 minutes.

Lesson series for unqualified persons will lead to Skipper's Certificates after testing by the Race and Regatta Committee.
