# H HOUSTON..

## THE NATION'S FIRST PORT IN COTTON EXPORTS

The Port of Houston covered the last lap of the 1935-36 season with a comfortable lead over all contenders. The total export movement during the cotton year amounted to:

**1,607,157 BALES**

Not only did Houston finish first, but bettered its export record of the previous season by 221,046 bales.

**J. Russell Wait**  
Director of the Port
