At Bayshore

Sailing, yachting, swimming, and sunbathing are among the diversions enjoyed by members of the Bayshore colony. In the picture are shown a group of fifty people who gathered at Dunlin, house of Miss McCall and Donald Stevenson at Shoreside, for a boating trip. Miss Stevenson is seen at lower left, and Miss Doris Piper is shown with bow and arrow. Mary Bradley Tatum, Dorothy Jane Perry, Frances Fitzgerald and Kathleen Glenn are in the group at upper right.
