This miracle will take place sometime this winter.
We hope it will be completed by the Mid-winter Regatta.
We would like to have a party then.
We are going to check into the possibility of Burlap

The idea for a key to the teen room is still in consideration.
The meeting was concluded at 1 o'clock.

P.S. Next meeting to be announced.
Attention, Ragmots!

Your officers are attempting to set up a schedule for the most fulfilled year yet for the NYC Ragmots. We are discussing a new decor for the team room and the possibility of having a team party during the Midwinter Regatta. Some plans are in the making for some novel boating activities.

We want your opinions and ideas. What kind of activities do you enjoy most?

Please send your suggestions to Cheryl Sparks, 2659 Inwood Drive, Houston, Texas 77019.

Glad Rags for the Ragnots!

The first Ragnot Christmas Formal was a smashing success! On December 20 over 170 teenage Ragnots and their guests crowded onto the HJC dance floor in their beautiful long formal dresses and tuxedos. It was shocking to see the gang dressed in anything besides faded cutoffs or swimming suits. Would you believe one of our lifeguards in a red and black brocaded tuxedo coat? Never before have so many Ragnots been seen at the club with their shoes on!

A fantastic layout of food was enjoyed by all in the dining room. The music was provided by "The Blov" who came equipped with strobe lights and black lights.

Our sincere thanks go to Mr. Harvey, our manager, and the chaperones: Mr. & Mrs. Hugh Funchjo, Mr. & Mrs. Ed Kimball, and Mr. Marvin Schulman. The beautiful decorations in the ballroom provided by the Radios Association and Mrs. Warren’s help with publicity added immeasurably to the success of our party. We would also like to thank the HJC members, our parents, for making the wonderful facilities of the HJC available to us.

Minutes for the first Ragnot Board Meeting

The meeting was called to order at 3:05. Sept 1968.
Members present were Becky, Mark, Genie, Dinah, Cindy, Danny, and Claudia.

The main discussion was of the Christmas formal which is December 29, 1968 from 8-12. The teenagers will have the whole second floor and it will be $5.00 a couple. Boys will wear black suits or tux and girls wear long or short formals. Invitations will be made, though we do not know what kind. Reservations must be made and we will have paper publicity in both papers. Twelve posters will be made by Thanksgiving by Genie and Dinah and sent to all yacht clubs. It will be an open formal! The band is not known but we hope for a soul band if it is passed by the regular board. The Women's Ass. will decorate the ballroom but we may add to it with table decorations. We are thinking of having a theme.

Mark and Clark will make a rules list for all types of races.

We will have the same budget of $645 for this year.

The Ragnots will have a flag and all board members will have pins for important activities.

A discussion was brought up on a letter to be given out with applications for new members so they will know about the Ragnots.

If people want them, we can order sweatshirts at $3.75 with Ragnots printed on them.

The Ragnots are to help with the Santa Claus at Christmas and also, we talked about having a coke party for new members, so the board can meet them.

There will be a board meeting before the dance.

It was brought up about having a Field Day of egg throwing and sack races but nothing was decided. And also a scrapbook was brought up.

The meeting was closed at 4:00.

The combined social committees of the Ragnots and Youth Activities Committee met to plan the 1969 summer social schedule, May 10. Those attending: Y.A.C. Mr. and Mrs. Ralph Atmar, Mr. and Mrs. Hugh Junkin, Clark Thompson, Sr., Mr. and Mrs. Rudy Roof; Ragnots: Becky Junkin, Claudia Sparks, Danny Williams, Clark Thompson, Jr., Genie Atmar, Ann Thompson, Cindy Williams and Cheryl Sparks, ex officio.

The evening entertainment for the Ragnot Regatta will still be a Luau even though the adult social committee is planning a Luau for its main summer attraction on July 26. We will try to obtain the band, the Blukristal for under $100.00.

We will also plan to have a band for the Ragnot banquet which will be on Friday, August 29. The banquet is for all Ragnots, dancing for teenagers. The Ozzie Combo was discussed as a possible band. Jimmy Raycroft is the person to contact.

The tentative date for the Christmas Formal is Tuesday, December 23. No other teen parties were planned.

Becky Junkin and Rudy Roof will look into the specifications for the Kirk Arnold trophy.

In setting the date for the banquet, the race series were discussed and it was decided to have 3 series of 4 races each, with 3 races counting toward trophies. Both Jr. and Sr. divisions are planned. There will be no race on June 18 because of Sears cup competition.

Also, there will be no waterfront or harbor activities on Saturday, June 28 because of the Dolphin Sr. nationals.

There will be a fisharee the morning of June 14 and picnic that evening for all Ragnots.

Since there is little planned between the morning race Sunday, July 6 and the afternoon trophy presentation, a Field Day was planned with sack races, egg toss, etc.

The Fun Race schedule was discussed since Mr. Thompson and the Ragnot race committee were present and the following events were planned:

YOUTH ACTIVITIES COMMITTEE

REPORT FOR JANUARY, 1970 BOARD MEETING

The Ragnot Christmas Formal was held on Sunday, December 21, with 96 young people in attendance. The party was well received, well attended, and financially turned out well. This concluded youth activities for 1969.

1970 PROGRAM

As has been emphasized the past two years, the 1970 program will again concentrate on providing a varied series of activities with the purpose of fostering social activity for and fellowship among the children of members of the Houston Yacht Club.

We plan to continue the Easter Egg Roll and the Santa Christmas Party, which have been traditional, for very young children.

For older children and Ragnots, we plan an expanded number of activities such as have been held; picnics, field days, fisherees, as well as the traditional Labor Day Swim Race contests. In addition, we hope to be able to continue to have a planned activity for younger children during Ragnot functions, an experiment started this year and accepted quite well.

At this time the Ragnot Social Program is planned to include two summer parties, a party in conjunction with the Ragnot Regatta, as well as the Christmas Formal.
The yachting portion of the program for 1970 is currently planned to include two weekly racing series, tentatively scheduled for Wednesday and Friday afternoons. Emphasis will continue toward having as many participate as possible as helmsmen of boats, with the hopeful result that sailing skill, knowledge of the racing rules and tactics, as well as sportsmanship toward other competitors will be furthered. Under Yachting, we also want to expand our Saturday special events program to include more elaborate sailing events, and seminars given by other members of the club who are expert in some phase of yachting or racing. We hope that these events can be expanded into family participation, as has been done once or twice each past year.

We plan a Ragnot Regatta on an invitational basis.

The Ragnots will operate a coffee bar during the midwinter Regatta, and proceeds from this activity are taken into consideration in this year’s budget, being used to reduce the net deficit of the budget.

Participation and ways to increase it continue to be a major concern for the Youth Activities Committee, just as it is for the adult committees. While a review of the roster indicates that of the potential available, Youth Activities seems to draw slightly greater percentages of club membership participation than adult events, emphasis needs to continue in this area in 1970.
