
PLAYERS OFFER RESERVED SEATS

A center section of Hamman Hall will be reserved for Season Ticket holders during all performances. The seats will be held until ten minutes before curtain time at 8:15 pm.

Guests of season ticket holders will be charged a fee of 25¢ to sit in the reserved seat section.

Since the number of really good seats in Hamman Hall is about two hundred, and since there are over five hundred season tickets sold, if everyone comes on Saturday night, there will be many people who will not get seats for simple lack of space. The Players recommend that these people consider the Thursday and Friday performances as well as those on Saturday and Sunday.

Due to staging problems of the play itself, and to fire laws, there will be no seating in the aisles as last year. When all of the seats are taken, the doors will be closed.
