Columnist

In a meeting in Hanszen College, the Student Senate Wednesday night reported the following items:

Sammy's is temporarily closed for Homecoming, due to necessary preparations that must be made; and the Grand Ballroom will be available to students after basketball games this year.

Party Regulations
Councilman-at-Large Mike Bennett reported on regulations for parties: Any group having an off-campus party at which there will be any liquor must hire a policeman.

Also any off-campus party must be chaperoned. A list of chaperones and a statement to the effect of whether or not a policeman will be hired should be handed in to Bennett in duplicate, on copy of which will be forwarded to Dean Sims.

Bonfire Time Set
The bonfire time has been finally and officially set at 6:45 o'clock Friday evening. Also, it was announced that Homecoming floats must be down by the following Monday morning.

In accordance with the upcoming freshman election on December 7, petitions for those class offices are due in by November 25.

Turn In Constitution
Dependent organizations are reminded that there is a two month limit for turning in revised constitutions. These should be turned in to Glenn Jarvis, Parliamentarian, as soon as possible. This pertains to all dependent organizations, including honor fraternities and societies.
