WILL RICE

Will Rice College members and their dates attempt to win against the weather man tonight with an outdoor dance at the Houston Tennis Club. According to Phil Peters and Gee Johnson, social chairmen, the affair will be casual; in fact a bonfire will be built.

A three piece colored combo will be on hand for the music, three bartenders will be dispensing set-ups, the first four of which are covered by the price of the tickets, namely, $1.00 per couple.

Any thing to be diluted by the set-ups must be furnished by the individual. The time is from 1:30 to 11:00 and there will be a place under cover if it does rain.
