Charity Funds To Create Alsbrook Cancer Memorial

By BILL DELANEY

A BECKMAN spectrophotometer, to be used in analyzing chemicals by the M. D. Anderson cancer research program, will be purchased with funds collected in the G. F. Alsbrook memorial charity drive to be held next Thursday and Friday, March 19 and 20, under auspices of the senior class.

COLLECTIONS will be taken in the classrooms and through campus organizations, with the goal being $1 per student as in past years, General Chairman Jack Pietri announced. Over $1500 was collected in last year's charity drive.

THE 1959 CAMPAIGN was named by seniors in memory of G. F. Alsbrook, outstanding athlete and member of the class of 1959 who died of cancer last fall.

DONATIONS will be collected Thursday in the 8, 9, and 10 o'clock classes and during the 9 and 10 o'clock hour on Friday, according to Noel Willis, who is in charge of classroom collections.

INSTRUCTORS are being sent letters asking permission to collect during their classes on the designated dates, Willis explained, pointing out that they should contact him if collections would interfere with exams planned for those hours.

SENIORS WISHING to aid in collecting for the charity drive should likewise contact Willis for assignment. Some 15 to 20 students will be needed each hour to assist in classroom collections, he added.

Eddie Garrett, senior class president, 

ALS BROOK, in whose memory
the spectrophotometer will be
given, lettered in football his
sophomore year at Rice, starting
over half the games at the right
halfback post. An equally formid-
able track man, he capped the
Southwest Conference 220-yard
low hurdles crown as a freshman. 

HE IS survived by his wife,
Mrs. Barbara Whitworth Als-
brook, a former Rice student, and
a year-old daughter, Gabrielle
Ann. Mrs. Alsbrook is now living
at Harper, Texas, but plans
to continue her studies at Rice
next fall, it was learned from
Alsbrook's sister here.
