# *Rondelet To Feature 'Mood Indigo' Theme*

By ANNE WATTS

Of The Thresher Staff

Plans for Rondelet weekend, May 6 and 7, are being announced bit by bit by the rather reticent planning committee. "Mood Indigo" is to be the theme of this year's pageant.

Ed Gerlach's orchestra will play for the Saturday night dance at the Houston Club. Prices are yet to be announced.

Other events of the weekend

include the traditional songfest, Friday night, and the Saturday afternoon picnic.

This year the usual beer drinking and bicycle race will be prefaced by a special mock race featuring many lovely Jones girls.

More details on all of the weekend activities should be available next week, according to Judy Cole, arrangements chairman.
