

BSU One of Hosts For '58 Convention

The Rice Baptist Student Union will be one of the hosts at the B.S.U. state convention meets in Houston this week-end.

More than 2500 students from over the whole state will be gathering at the First Baptist Church for the sessions which begin Friday night and last through Sunday Morning.

The convention theme, "Disciplined for Today's Demands," will be the keynote for many outstanding speakers, including Dr. B. J. Cauthen, chairman of the Foreign Mission Board.

Other features of the convention will be the report of the students sent out as summer missionaries, and the singing of the State Choir.

All interested persons are urged to attend. A ride may be obtained to any session by contacting the B.S.U. center.
