Travels Include Russia

Dr. Philpott's travels have included Russia, most of Europe, Japan and the Philippines. He is the recipient of an A.B. cum laude from Washington and Lee University, and a Ph. D. from Yale.

Making Special Trip

Dr. Philpott is an excellent speaker who is making the trip to Texas just for the activities on the Rice campus. He is well worth hearing, so mark your calendar now for at least one of the services. The three chapel services November 17-19 at 7:15 o'clock, will be led by Wiess College and will take less than forty-five minutes each.
