Faculty Posts Net Gain

By LYN MARTIN

Despite resignations and leaves of absence, the size of the active faculty shows a net increase as the new academic year begins.

The exact size of the faculty is not yet known. University Registrar M. V. Mcenany explains that some of the new faculty members have not yet arrived, and their appointments will not be official until they do.

New in the English Department is Dr. Ronald Paulson, who is now working on a textbook anthology of the novelette and a volume on satire and the novel. He has previously published "En-gravings of William Hogarth."

EDWARD DOUGHTIE and John Velz, also new appointments in the English Department, have just received their Ph.D.'s. Missing this year is Dr. John Pickard, who has accepted a position at the University of Florida.

In the French Department, Madeleine Raaphorst will replace Dr. Robert Myers, who is now at the University of Waterloo in Canada. Other new appointments in the foreign languages area include Fridizh Wodtke and Francoise Courtine. Dr. John Castaneda returns after a year's leave at North Carolina.

PROFESSOR DON Levine is replacing Dr. Donald Mackenzie in the Classics Department; Dr. Mackenzie is now at Williams College.

Dr. John Rath, formerly of the University of Texas is the new head of the History Department. Dr. Gerald M. Straka and Dr. Charles E. Neu are also new appointmerts there.

Teaching political science this year is Dr. Gilbert Cuthbertson, who has just received his Ph.D. from Harvard, and Dr. Oleh S. Fedysbhn.

THE ECONOMICS department is missing several professors this year; Dr. Edgar Edwards, Dr. John Austin, and Dr. Gaston Rimlinger are all on leave. Dr. Richard Jenner is new in the department; he has just received his Ph.D. from the University of Colorado.

Dr. Hugh Duncan is no longer in the Sociology Department. Dr. Mary Ellen Goodman, who was at the Jones Symposium, will be a visiting lecturer in both sociology and anthropology. Also new in (Continued on Page 6)
the Anthropology Department is Richard Randolph from the University of California.

A NEW PROFESSOR in the Psychology Department is head of the department—Dr. Bert Kaplan. In the engineering field, Dr. Henry C. Bourne, Jr., who comes to Rice from the University of California, is serving as head of the Electrical Engineering Department.

DR. J. BENN Leeds is also new in the E. E. Department. He graduated from Rice and has just received his Ph.D. from the University of Pittsburgh. Dr. Paul Pasley has replaced Dr. Alan Chapman as chairman of the Mechanical Engineering Department.

The Physics Department has several new professors: Dr. E. B. Carter, Dr. James C. Legg, Dr. King Walters, and Dr. Peter Swan from Australia.

IN THE Biology Department, Dr. John Pirsch from the Texas Dental School will replace Dr. Allen Enders in Histology and Comparative Anatomy. Other additions in the department are Dr. Frank Fisher, Dr. Leon Kraintz, and Dr. John Simmons.

The Geology Department has a new assistant professor, Dr. Robert Lankford, who has been with the Pan American Petroleum Corporation.

CHANGES IN THE Chemistry Department include the appointment of Dr. J. L. Franklin, an Humble Oil and Refining Company Research Associate, to the Robert A. Welch Professorship in Chemistry. However, he will be on leave until December 1.

Missing this year from the same department is Dr. W. O. Milligan, who has left to assume posts as President of the TCU Research Foundation and Vice-Chancellor of Research at Texas Christian University.
