Herz Appointed Interim Editor Until Election

By BARRY MOORE

The Student Senate's main chore last Wednesday night was the filling of the vacancy in the Thresher editorial staff. The Senate expressed the feeling that in spite of last week's referendum, the action of the old Student Council should not be ignored; and in line with this reasoning it was decided that a temporary editor should be appointed (effective June 15) to fill the office of editor of the Thresher until an all-school election can be held next fall.

Claire Plungian was nominated for this position. At this point it was expressed that to appoint Claire, the assistant editor of the Thresher, now on disciplinary probation, would indirectly be approving her actions causing probation.

As a result her appointment was defeated and Buddy Herz was appointed by the Senate as temporary editor. The election is to take place two weeks after school starts next semester. Both Plungian and Herz, as well as others who file in time, will be eligible to run.

installed in Sammy's. They will probably be of the large wheeled variety. A television set is to be ordered very soon, and the juke box is to be moved to the basement.

The question about theft in the parking lot was brought up. Wayne Hanson reported that in the past meddlers have been caught and handled by the proper police authorities. If, however, stealing is discovered, students should report it to Dean Sims, and an extra officer will be placed in the parking lot for about a week.

The Senate's new faculty advisor is Dr. John Pickard of the English Department.

The Freshman Guidance Committee for next year will be made up of Jack Hollon from Baker, Pete Newstead from Hanszen, Barbara Long from Jones, Chuck Berry from Wiess, and David Werner from Will Rice.

At the recommendation of Gerald Dansby, current chairman of the Forum Committee, Neil Anderson was appointed to that position by the Senate.

The Social Calendar for next years has almost been filled. It is now posted in the S.A. office. Saturday night dates in January and February, 1950, are marked in pencil, for the basketball schedule has not yet been received by the Social Committee.
