

GOOD AND BAD SHOW IN SWC GAME SCORES

Baylor 12—Arkansas 0

Fullback Larry Hickman and quarterback Buddy Humphrey ran and passed Baylor to two first-half touchdowns and then sat back and watched a stout Bruin defense limit the Razorback's deepest penetration to the Baylor 36 yard line.

Texas Tech 15—A&M 14

The Aggies new single wing attack gave a preview of new things to come from the old hard nosed Aggies as the farmers threw 26 passes as compared to an average of only eight passes per game under Bear Bryant.

A&M's single wing offense looked powerful but not yet polished as the cadets were able to cash in on only two of seven scoring opportunities.

Texas 13—Georgia 8

Once again Texas played their kicking game and it paid off in a fumbled fair catch which led to the Teasip's first score. Film of the game showed outstanding play by fullback Don Allen, quarterback Bobbie Lackey, and guard George Blanch.

Texas' offense was spotty at times as the Orange made only three first downs the first half and strong at other times as it ground out 77 yards in 17 plays for the winning tally.

TCU 42—Kansas 0

The TCU offense ground out 31 first downs in piling up an offensive total of 528 yards (351 rushing; 177 passing) while the Frogs' defense gave up only six first downs. It looks like the sportswriters picked the right team this year.
