The Student Senate Tuesday night approved the allotment of an additional $300 to allow this year's SCEP course review to be printed at length in the Thresher.

Ken Kennedy reported that a letter has been sent to President Pitzer requesting a revision of dead week policy. The proposed revision suggests that the week May 9 to May 14 be declared dead week, and that the reading period this semester be extended to three days by suspension of classes on May 16 and 17.

"Actually," Kennedy said, "the reading period would be four and a half days — for those of you who study Saturday afternoon."

The Senate approved the appointment of Robins Brice as chairman of SCAP and Arthur Rogers as chairman of SCEP. Charles Jastre will head the Student Discount Service.

Don Des Jarlais will head the Community Affairs Council and Roy Meals is chairman of the Guidance and Orientation Committee. Charles Lanford is the chairman of the Financial Aid and Student Work Committee and Barbara Echols will head the newly created Hospitality Committee.
