

SIGN FOR JONES ROOM NOW

APRIL 20TH IS DEADLINE

Now is the time for all good Jones girls to file their room petitions. By April 20 all applications for residence in Jones for the forthcoming school year must be turned in to Lynn Hart, chairman of the Jones room assignment committee, in order to receive first consideration in room choice. However, on the other side of the campus in the men's colleges, no positive action has yet been taken to set down procedure for room application.

All out-of-town female students have the option of living on or

off campus, but their choice must be approved by the Adviser to Women. First consideration to those applying for residence in Jones will be given to the out-of-town student with the seniors receiving priority. Room assignments for Houston students will not be made until mid-summer when an accurate survey of space available in Jones can be taken.

A non-returnable deposit of \$50 upon the receipt of room assignment will be necessary to reserve the allotted space.
