
EB's Set 'Annie' For Nov. 20 - 21

The Elizabeth Baldwin Literary Society will bring another Broadway musical to Hamman Hall with this year's production of *Annie Get Your Gun* on the evenings of Friday and Saturday November 20-21.

Directed by Jo Anne Seale, with John Fowler in charge of the band, *Annie* is the third EBLIS Broadway show in as many years. The new tradition began in 57-58 with *The Boy Friend*, also directed by Jo Anne while *Plain and Fancy* was last year's hit.

Details concerning the cast, tickets and curtain times are to be disclosed later. However Miss Seale says that the Saturday performance will precede the Baker and Weiss parties.
