

# Fellowships For Canadian Studies Now Offered

Five new fellowships for study in Canada in the fields of the arts, humanities and social sciences for the academic year 1959-60 were announced today by the Institute of International Education. The application deadline is April 15, 1959.

The scholarships are offered by the Canada Council for the encouragement of the Arts, Humanities and Social Sciences. The stipend is \$2,000 for the year plus round-trip travel. The Council may consider renewing an award for another year upon evidence of satisfactory work.

Applicants in the arts may be artists, scholars, musicians, writers and teachers who have shown exceptional promise in their

work. Candidates applying for academic study can do so only for work leading to a master's degree or the equivalent. Awards for academic study will be made subject to admission to a Canadian university. Students applying for institutions where French is spoken must demonstrate a good knowledge of the language.

Preference for the awards will be given to those under 35 years old.

Application forms may be secured from campus Fulbright advisers or from the Institute of International Education, 1 East 67th Street, New York 21, New York. Final selection of awardees will be made by the Canada Council in Ottawa.
