Although league play has been hampered by our foul weather it looks as if the football playoffs will still be held early next week. The Alpha Sigs were victorious in the Thursday league, while the undefeated Leftovers—the only team not to be scored upon—became the champs of the Monday league by romping over the Tomcats 40-0.

In three games the Leftovers amassed 158 points. Led by Don Erskine, the invincible six cinched the title by defeating the Tomcats. Again Larry Stewart, Gerald Reifel and Robert Dobbs were instrumental in the victory by being the favorite targets of Erskine.

In Monday’s other action, Big Red won their first game by defeating the Reefers 19-6. Jack Whitley and Tom Broad did all the scoring for Red while Gordon Grubbs hit John Wade for the Reefer’s tally.

In the Friday league Borachos defeated Chevron 12-6. Towell Montgomery hit Wayne Hilgers and Bob Byrnes for the TD. Meanwhile the Buccaneers led by Tom Fatjo rolled over the Flyweights 34-7. The Flyweights scored on a 80 yard run by Jack Roberts.

Lonesome End

The Weiss Birds, using the Army lonesome ned, continued their win streak by defeating the Vicious Devils 38-6. Doty Murphy continued to hit Frank Hubert as the multiple offense clicked.

After getting off to a good start, the tennis players are falling off in their matches. All players are reminded that all matches not played by November 15 will be forfeited. The champion of the league will be the person with the best won-loss record.

IMPORTANT — Entires close at noon Saturday November 7 for Men’s Basketball, Hand ball, Badminton and Ping-pong. On Wednesday, November 11, a swimming meet will be held at 4:30. This is an open meet.
