

# Rice Democrats Prepare To Host Annual State Convention

Democrats, arise!

The Rice Young Democratic Club is currently making preparations to host the Texas state convention of Young Democrats, to be held April 22-24 at the Shamrock Hilton.

## Meeting Thursday

A meeting of the campus group will be held Thursday, March 10 at 7:30 pm in Anderson Hall, Room 106, to work on arrangements for the event.

The University of Houston Democrats, along with the Rice organization, is sponsoring the conclave, since the Harris County

Young Democratic Club has disclaimed sponsorship.

## Convention Purpose

The purpose of the convention is to give young Texas Democrats an opportunity to express their opinions on state and national issues through resolutions and the election of state officers, according to Gary Webb, president of the Rice Democrats.

All Rice Democrats interested in electing a Democratic president are asked to contact Webb at OV6-2661, club Secretary Lois Johnson, or the club's sponsor, Professor George Williams of the English department.
