

Junior Council Recently Staffed, Adopts Policy

Through interviews held last Wednesday night, next year's junior class officers chose four classmates from Jones and three from each of the men's colleges to serve on the Junior Council for 1963-64.

NEW MEMBERS from Jones include Anna Byrne, Nella Martin, Linda Geisler, and Judy Wainscott; Steve Smith, Brandon Jones, and Stuart Glass have been selected from Baker.

Phil Lawless, Dale McCleary, and Bill German were chosen from Will Rice; Jim Crawford, David Mathews, and Jim Parker from Hanszen; and Val Thomas, Duncan Mason, and Carroll Keilers from Wiess.

A DIRECT descendant of this year's Sophomore Council, the offspring Junior Council has three main objectives next year. First it is continuing service projects, as well as conducting parent orientation day.

Second, it will sponsor all-class functions, such as parties, picnics, etc.; and, finally, it will do all it can to accomplish the specific goals set before it.
