

Hobgood Sets A.I.E.E. Meeting December 15

George Hobgood, President of the American Institute of Electrical Engineers, has announced that the next meeting of the group will be December 15 at 7:15 in Room 216 of Abercrombie Laboratory, rather than on the regular first Tuesday of the month.

To date, the American Institute of Electrical Engineers has hosted two speakers. Mr. Lynn Donohoe of Texas Instruments spoke on "Arithmetic Units of the Digital Computer."

Mr. T. M. Kieler, Assistant Superintendent of Engineering of the Houston Lighting and Power Company answered the question, "Is Engineering a Profession?"
