

# Farfel Resigns

To the Class of '62:

I am sorry that I will be unable to complete my year as your Vice-President. My wedding and subsequent residence in Germany will, of course, prevent it.

Thank you for having given me the opportunity to serve you. I am glad that I was able to assist with most of our major class functions. Good luck to all of you in the future. I think we have a wonderful class.

Sincerely,  
**LINDA FARFEL**
