Rondelet Festivities Begin At 7pm Friday

By ANN KRIEGEL

With an elegant background of Louis XIV statues and columns, the Rondelet queen will be presented Saturday night at 8:30. Sammie O’Kelley, Rilda Richardson, and Tommie Lou Storm are the princesses who are candidates.

Everyone is urged to be seated between 8:00 and 8:30 in order that the pageant may begin promptly. Parents and friends are invited to attend, and chairs will be set up for them and removed when the dance starts immediately after the pageant at 9:15.

Larry Storch, the well-known comedian, will entertain along with the Gene Swilley Combo at the Friday night informal dance. The dance will be preceded by the songfest, to which parents and friends are invited.

Students are again asked to buy picnic tickets early so that enough food may be ordered.

Margie Moore, Rondelet chairman, announces that the campaign for Rondelet funds was successful thanks to patron bids.
