

Rice Goes For SWC Net Tourney Crown At A & M

The Rice tennis team defeated Texas Tech 6-0 to finish conference play for the season last Saturday. This brought the team's overall match record in conference play to 35-1.

Rice's record in dual matches is 10-2-1 with the only losses being close decisions to a strong Trinity U. team. Sammy Giammalva and five members of the squad leave Wednesday night for the conference tourney that starts early Thursday.

There is a revenge factor involved since Rice won the team crown last spring, but they were upset for both the singles and doubles titles in the conference tournament.
