

CAGE DRILLS LETTERMEN

height average certainly have plenty of height, speed, and shooting ability to be a contender. However, the big question mark for Rice appears to be their lack of depth and lack of accuracy at the free throw line. Last year the Owls finished a dismal last in the conference in free throw percentage with a percentage of .589, almost .200 percent behind the leader, Texas. If Rice can improve in these two departments it can easily become the dark horse in this season's title scramble.

RICE OPENS its twenty-four game schedule December 1 in Lawrence against the University of Kansas. Other games are scheduled with Wisconsin and Missouri before the SWC Tournament December 26-29 here in Houston.
