MUCH DELIGHTED THROUGH THE TELLING OF THE STORY

At first very slow, the new plan was soon catching on, and before long the entire grade was enthusiastic over it. Some of the students brought with them their own scrapbooks, and added a new page or two each week.

The activity was a great success, and it was decided to continue it next year, with the addition of a new feature: each student would be required to submit a scrapbook for the following year.

At the end of the year, the best scrapbook would be awarded a special prize, which would be eagerly sought after by all the students.
THE THRESHER

THE THRESHER 1MTHSlUJV.W.  

is  perhaps  the  only  time  that  any

term  made  such  an  appearance.

We  are  tempted  to  take  advantage  of  this

time  that  it  should  not  be  missed.

The  tower  seems  to  he  more  ornate  than

it  was  in  the  past,  but  it  is  just  what  we  could  expect  for  Rice,

as  we  realize  that  it  is  just  what  we  could  expect  for  Rice,

since  then.  A  photograph  of

the  tower  at  a  distance  can

be  made  to  show  that  the  tower  is  in

excellent  condition  and  that  it  is  well

worth  the  attention  of  those

who  are  interested  in

the  architecture  of  the

University.  Since

the  library  of  the  Rice  Institute  is  a

good  place  with  which  to  get

acquainted,  it  is  well  worth  the

time  of  any  student  who

is  interested  in  the  library

to  take  a  look  at  it.  The

library  is  not  only  a

good  place  to  go  in  for

leisure  reading,  but  it  is

a  good  place  to  go  to

for

information  on

any

subject  that  may  be

desired.  It  should

be

remembered  that  the

library  is  a  part  of  the

university  and  that

the

students  are

not

library  patrons  but

students  of

the

university.

In  the  awarding  of  the  cup  there  are

several  considerations  to

be

taken

into

account.

The

first  is

that  the  large  having  been

large

in  the  previous  session  were  read  by

the

victories  over  Southwestern.  Pick

your

implemented  and

the

same

score  that  Hice  did.  A.

College  usually  has  a

may

give  the  leading  trio  a  good  fight.
