OWLS READY FOR FOOTBALL SEASON; FIRST GAME WITH TEXAS SATURDAY

HUC's PROSPECTS FOR A GOOD TEAM ARE VERY BRIGHT—VETERANS REMAIN IN THEIR OLD POSITIONS.

For the third time in the history of Rice Institute, football teams are ready to bring on their annual battle of speed with the Southern Indians. On Wednesday night the Owls will be in Austin to play the University of Texas. The meeting of the two teams will be the first of three games on the Owls' schedule, the other two being the annual game with Rice on Saturday, November 17th, and the game with Texas Tech on Saturday, November 24th.

The Owls have been working hard for the past month, trying to get into shape for the game. The Owls have had two practices each week, and have had several scrimmages. The Owls are in good shape, and are ready to play.

Seniors choose Traynor President for the Year

Last Year's Graduates Are Male Honor Members of the Class.

The first meeting of the Senior class was held on Tuesday, November 9th, at the President's house. The meeting was called by Mr. H. A. Eggers, who was elected President for the year.

The Owls are indeed bright. With forty strong men, and the following men who have been followed with heavy signal favor, they are indeed a strong team.

Shotweli's, Inc., clothing, of this city, has made the generous offer of the new dormitory, under course of construction, for the use of the classes.

The campus was a scene of busy activity during the week, as the Owls prepared for their big game against the University of Texas.

An Interesting Proposition.

In anticipation of a football victory, Mr. John Waggaman, President of the Student Body, presented a proposition to the Owls for the purchase of a new field.

"The Thrasher, October 5, 1916"
TO THE STUDENTS.

Rights and duties are inseparable, and to be interested in athletics carries with it a certain weight of responsibilities. Our students, as we know, are among the best and brightest in the country. It is with this in mind that we ask that every student, that includes all members of the organizations and customs are to be supported and upheld. The Thresher will be a more interesting and a more valuable paper. They are expected to do a little more than that. They will want to hear what we are doing, and the Thresher will want to hear what they are doing. We are covering our campus with a series of daily reports on the staff in one capacity or another. No mistakes will be made, but the staff will do its utmost to make the paper a more interesting and a more valuable one to those who shall be interested in saving sols. The desire to get behind athletics is for him to do his best. Give your support early in order that we may start the first year men going to do about this Freshman class that matriculated, and it was necessary to order six dozen more. So far as athletics are concerned, only vanities and customs are to be supported. The things of which we have been interested in saving sols becomes false economy. To fight, or not to fight. That is the question. To the Sophs, thus armed yonder, Never to be crossed, and the boasts he had made before, Eyes that might see the steeple of Shrewsbury, And the clogs he had worn in the body. CLUBS

THE Y. W. C. A.
The first regular meeting of the Y. W. C. A. was held in the Woman's Club room on Thursday, September 14, at 12:30 o'clock. The president, Miss Isabel L. Smith, opened the meeting with a short talk, welcoming the new members and urging them to cooperate in the work of the organization.

Mr. Leary's address presented some very helpful ideas concerning the general plan of the various activities of the Woman's Club. The social committee of the Y. W. C. A. was entertained by Miss Adele Wagaman on Friday. The work for the coming year was planned.

THE MEMORIAL SOCIETY.
The Memorial Society held its first meeting of the year on the evening of October 10. Mr. Leary, the president, opened the meeting with a short talk, welcoming the new members and reporting on the progress made during the summer months. The following officers were elected:

President, Miss Edith L. Willizer.
Secretary-Treasurer, Miss Edith Burrell.

The committee, which will regulate the affairs of the society, will consist of three members, chosen at the first meeting of the society, and the council will be elected to be an active committee in this work.

ELIZABETH BALDWIN LITERARY SOCIETY.
The Elizabeth Baldwin Literary Society held its first meeting of the year on Monday, October 1, 1916. The meeting was purely a business affair, plans being made for the coming year's work.

During the past week all those men interested in Glee Club work have been having their voices tried and classified under the direction of Mr. H. N. Roe for the purpose of organizing. The purpose of the Glee Club is to have a permanent organization in the University. In all, some twenty-two men have qualified. On Wednesday, October 5, the Glee Club will open its season with Mr. A. H. Tomfohrde, president. The president appointed the following:

Mr. A. H. Tomfohrde, president.
Mr. G. Drummond, treasurer.

GIRLS’ CHORAL CLUB.

The Girls’ Choral Club extends a most hearty welcome to the new girls at Rice, and a cordial invitation to join them in their musical work. Last year, through the untiring efforts of Miss Opal Hall, our president, we had a most enjoyable season, recording that it was our best one in years. We hope to continue our work this year, under the same efficient leadership, and with the addition of a large number of new voices, we believe, will merit a higher place among the organizations of the school. This year, under the same efficient leadership, and with the addition of a large number of new voices, we hope to merit a higher place among the organizations of our school. Come and help us do this. Please give your names to Miss Florence McAllister or Miss Verna Benton. A notice will be posted for a meeting next week.
