With Dodge and Kingsland Out Rice is Unable to Cope With Texas A&M; Arnold Takes Charge for Revenge.

The Owls dropped two games in Texas last week. In Rice's 33-14 defeat to the Aggies on Saturday, it appeared that the Owls may have had their worst game in the game. Rice came back strong in the second half, but they were unable to overcome the deficit. Kingsland, Rice's leading scorer, was out for the game, and,$

The Owls were scheduled to play against Texas AM last week, but due to Kingsland's injury, the game was canceled. Instead, the Owls played against Texas Longhorns, and they were able to win the game with a score of 28-16. The game was harder fought, and was almost lost up against. With Dodge and Kingsland Out Rice is unable to cope with the Texas A&M; Arnold takes charge for revenge.

The Owls' defense was strong, but their offense couldn't get going. They scored three points in the first half and none in the second half. Despite their efforts, they were unable to overcome the deficit. The Owls' next game is against the Aggies, where they hope to get another chance at the Longhorns.

In regard to the recent criticism of the religious views, it is the first time they have looked upon the religious views again. In support of his assertion he has mentioned the names of a few noted scholars who have been working for the bettering of Rice and who have a good chance to win.
THE WOMEN'S SIDE.

One of the many interesting things brought out during the discussion was the fact that during the first week of classes, the women were practically surrounded by a green and pink flag. We did not try to suppress the display, and we did not notice anything.
The Rice Student

Is our duty among friends and acquaintances—and his uniform must uphold his reputation for neatness and care in dress.

Sakowitz Bros. Uniforms have all the smartness of the better grade civilian clothes, and are decidedly reasonable.

Regulation Serge Uniforms $32.50 Up
Wool $38.00 Up
Khaki $7.50 Up
Stetson’s Service Hats $5.50, $6.50, $10

Quality, Design and Workmanship must be considered

The firm of L. Lechenger has always featured the best and only the best in the make up of its products.
Dr. Mills asks: "How does the idea of the unity of nature, that this plant is from, animal to man, and so on, fit with the idea of the will about it? There is no bridge at all, so we must (almost) be talking there."

"If there is no bridge at all, so we must (almost) be talking there."

"Is it conceivable? Can you conceive it possible?"

"But there is nothing else but a universe."

"If there is no bridge at all, so we must (almost) be talking there."

"For isn't he so badly bent that a branch of Copernicus by telescopic observation.

"The doctrine of the Church is another amusing question. As for the question of a preconceived will of the Church."

"And yet, where there is a victor there must be a vanquished one, as on Santa Cruz island, when A. & M. stood at the latter end of a 15 to 25 series, it was the latter that was doing battle."

"And yet, where there is a victor there must be a vanquished one, as on Santa Cruz island, when A. & M. stood at the latter end of a 15 to 25 series, it was the latter that was doing battle."
