LESLEY MANN OF CHICAGO CUBS TO HELP COACH OWLS OF '19-'20

FAMOUS OUTFIELDER WILL ARRIVE AT RICE NEXT SEPTEMBER

All-Round Athlete Will Coach Basketball and Baseball
And Assist Arbuckle in Football.

That Leslie Mann, famous left fielder for the Chicago Cubs, was named on the staff of the College of Education, and the announcement that he would be a prominent member of the first Lady buzzed through the building.

Mann will arrive in Houston early in September, and will work with the Freshmen and Juniors in baseball and basketball.

Leslie Mann is no new name to Rice or Houston sportsmen, for a physical education class at North Carolina during the past year.

He is at present with the Chicago Cubs, and is the star of the team in the National League. He is considered one of the greatest batmen in the game, and his star is distinctly shining.

Mann is a Broad Arrow, and as such is well known to the students of the college. He is at present with the Chicago Cubs.

In the all-around athlete, Mann is an ex-All-American in football, and has been prominent in baseball and basketball.

Mann is in his third year on the Chicago Cubs, and has been a sensational success in the game. He has been with the team three years, and has been a three-year member of the National League.

Mann is a great ball player, and has been a real sensation in the sport. He is a star of the game, and his star is distinctly shining.

THE MEAN IN PUBLIC.

The car was not crowded, but every seat was taken. A pretty young lady with a dark complexion entered for a place in the back, and everyone else in the car was densely packed. She was dressed in a simple but elegant dress, and her presence added to the charm of the car. The driver of the car was a middle-aged man, and he greeted the young lady with a smile. She then sat down and continued her journey, enjoying the ride and the beautiful day.

THE MORALE.

The students of Rice are working hard and are looking forward to the future. The atmosphere on campus is one of optimism and enthusiasm, and the students are determined to make the best of their college experience. The student body is united and supportive, and they are working together to achieve their goals. The university is committed to providing a quality education and is working hard to meet the needs of its students. The future looks bright for the students of Rice, and they are looking forward to what the future holds.

THE PIRATES.

The Pirates divided a pair of baseball games with Texas A & M. In the first game, the Pirates led early on, but Texas A & M came back in the third inning to tie the score. In the bottom of the seventh inning, the Pirates scored two runs to take the lead, and they held on to win the game.

THE COLLEGE STRUGGLE.

The college struggle is a common theme among college students. They are working hard to achieve their goals and are determined to make the best of their college experience. The students are working together and are united in their efforts. The university is committed to providing a quality education and is working hard to meet the needs of its students. The future looks bright for the students of Rice, and they are looking forward to what the future holds.

THE WARS.

The war was raging, and the students of Rice were working hard to support the troops. They raised money for the troops and were working hard to make sure that their fellow students were taken care of. The students were also working hard to keep the campus clean and to make sure that the school was run efficiently. The students were determined to make the best of their college experience, and they were working hard to achieve their goals.
