ST. PAUL'S CIRCUS
GREAT SUCCESS

SIDE SHOW AND "BIG-TOP" PERFORMANCES FOR BONDS.

Animals and Assemblies of Boys and Unions of Various Men to Publicize "The Story of Our Boys on Earth."

The hypnotism of St. Paul's Church was clearly demonstrated in a particularly pertinent manner on Thursday night when the little church of the Harvey A. Shaw school was decorated for a meeting called "The Story of Our Boys on Earth." It was the first time that the audience of the church had been subjected to a hypnotism series in the history of the school, and it was evident that the exhibition would undoubtedly have been more entertaining had the program been as long as the hypnotism session. Old Brother "B", the son of a former Bishop, was present at the hypnotism session, and was henceforth of course. The hypnotism session was most simple, with the exception of the hypnotism session of the A. M. A.

The hypnotism session of the A. M. A. was the most popular feature of the evening, and was witnessed by a large audience. The hypnotism of the A. M. A. was characterized by the renewal of acquaintances after the hypnotism of the A. M. A. and the A. M. A. of the A. M. A.

FOOTBALL DANCE IS THOROUGH SUCCESS

Tance, Women, and Jazz Trampled in Exactly Equal Proportions With Nothing Left for Brains.

The dance was interrupted at intervals, and the only event of note was the shattering of a glass door by a football. The door was replaced, and the dance was continued. The dance was well attended, and was considered a great success.

The half was played on Trinity's field, with the exception of the first half which was played on the Rice field. There was a great deal of interest in the game, and the outcome was uncertain. The game was resumed in the second half, and the Rice team took the lead. The game was then stopped, and the Rice team was declared the winner.

The game was played on a rain-soaked field, and the conditions were not ideal. The Rice team had the advantage, and the Trinity team was never able to take the lead. The game was declared over, and the Trinity team was awarded the victory.

The Council and the Thresher.

The recent action of the Student Council in appointing the Blanket 6 号 is most commendable. It is a well-timed and wise decision, for the coming year promises to be one of great change and development.

The business meeting of the Student Council was held on Monday evening, and the following officers were chosen: President, W. J. Smith; Secretary, A. M. Moore; Treasurer, R. E. McFadden.

The Council, while recognizing the necessity of economy, has taken steps to provide for the best interests of the Association and the entire student body. It is hoped that these measures will result in a better organization and more effective management of the affairs of the student body.
