SLIME BOAT RIDE STARTS FOR SAN JACINTO TODAY

The Thresher
painsstaking process. Few successful victories are developed, and with a team, time is not opportune, the system fails, or is unnecessarily uncoordinated.

This holds true at times. We are new in this country and need the cooperation of the institutions springing up at night. However, for those new organizations, it is necessary that the time to rip is the disadvantage of the organization. The time is not opportune, the system fails, or is unnecessarily uncoordinated.

The news is aadjacentos, a gradual process. As we have found, with a new organization, it is necessary to keep with our rapid growth, and to develop systems as new organizations are springing up at night.

At present we have a news committee, a paid person, and a system of publication. The time has come when the news committee has to stimulate without a Fluidity Committee.

The news committee will be hindered to enjoy the game. At a game here, William Howard Taft, and Rockhart Friday noticed—have discarded their overalls. You have to live with.

For next fall we will have one of the best football squads that ever assembled on Rice Field. Our victories are bound to come in Rice Field, and we have a system of publication. Letters and reports of our various outside section societies, and send their children to such a wonderful educational center. It is most part with the University office and the student body. Would become influenced more, probably in reading of our noted visiting lecturer, or the usual confusions at the meeting of the School of Art at Ward-Belmont, etc., and send their children to such a wonderful educational center.

Freshmen Discuss Plans For Next Year's Slimes

At a recent meeting of the freshman class, plans for next year's senior Slimes were discussed. The idea was to have the caps smoking this year, and the class president stated that this would be the last opportunity for the seniors to have the caps smoking. The caps will be housed in a special smokehouse at the gym, and will be taken to the gym after each game to smoke them.

Tennis Court Backstops Undergoing Repair

We are glad to know that extensive repairs on the tennis courts are under way. New backstops are being built and fresh cinders placed on the courts. The interest in tennis is increasing among the students.

How About That Graduation Dress?

Many a pretty idea will be found in the displays we have in our "Little Folks" Store, as well as in the Misses' Department of our big ready-to-wear section. Your taste, too, if you buy at

Congratulations

"To all the new Officers of the Students Association and we hope that Rice may prosper next year."

YOUR OWL

OL’ H. C. L. AGAIN

Everybody is telling us that it is not the wearing of animal skins that counts; it is the principle behind the thing. We think that this is the right idea; it certainly has some merit for it, and it should be encouraged. How our good clothes will fall within reach is a mystery to us.

There's some class to the—

SHOTWELL’S RELIABILITY
MABEL KENNEDY.
Miss Mabel Kennedy, in the recent election in Matagorda County, was elected County Superintendent of Schools. Miss Kennedy was a student at Rice for a number of years, having completed her Freshman courses in the spring of 116 to 117. She became interested in school work, and has been elected to her present position of responsibility, only after she has successfully administered similar posts. Miss Kennedy will be pleased to receive applications by the people of all parts of the county, of whom she shall classmate with her. Miss Kennedy is the first woman ever elected County Superintendent of Schools in Matagorda County, and it is a former Rice woman who claims the honor. Unfortunately Miss Kennedy lacked one year of getting her degree.

STATE E. QUESTS AT PRIME.
A number of University of Texas girls were guests at the Junior class party last Thursday night. Among those not were Minna Col Carter Worthing and Linda Lane. Misses Lewis, Carr and Sam Levy.

LUNCHELON TO JUNIOR GIRLS.
The annual luncheon of the sophomore girls for the Senior girls will be given on May 8th. A delicious menu has been planned. The luncheon will be at Brazos Court. The hour 1:30 p.m.

BlUAEFRID PARTY.
A serenade was presented by Miss Catherine Dustin in the form of a surprise party to her junior sister Tuesday night. An onlooker reports that there was very little of singing until the war hours of the morning. Those enjoying the delightful function were; Misses Mary Elma Wise, Erma Nuckless, Ann Stimson, Bertha Davis, Minna Blue, Betty D separation, Ann Marie Letro, Vivien North, Beverly Smith, Bertha Wheatly, Dorothy Salafeld, Mary Magenua, Minna Hug and Catherine Dustin.

CHEM. 210 PICNIC.
The picnic which the Chemistry 210 class had expected for this week has been postponed until Wednesday. The class will meet after dinner at the Consuinity House. The automobiles will be stationed to carry Mr. Draper and his class to Galveston Bay. The boat will bring the hens, the sea will buy the gasoline. After a picnic at the bay and a swim in the water, the party will return to Houston by moonlight. About twenty-five people will be in the party.
